Iowa Shorthorn Breeders Association Map

(NAME AND NUMBER OF BREEDER ON INSIDE OF BACK COVER)

General Information

(IOWA'S SALE OF THE MONEymAKERS!)

The Sale will be held in a comfortable pavilion at the Southern Iowa Fair Grounds located in the Northwest section of Oskaloosa, close to Primary roads 92 and 163.

Cattle may be inspected Friday afternoon, Apr. 15th.

Trophies will be presented at 12:45 p.m.

Sale will start promptly at 1 p.m.

The Oskaloosa Chamber of Commerce will furnish ribbons to winners of various classes. The Emory Stewart Memorial Trophy will go for one year to the exhibitor of Grand Champion bull. Must be won three times for permanent possession. The Association will present a cup to the exhibitor of the Grand Champion female. Sale Manager will present a cup to the exhibitor of the Champion Pair.

JUDGE—HAROLD BACON, GOOD HOPE, ILL.

AUCTIONEER—TOM SHERLOCK

P. A. SYSTEM—Harvey Neiderhiser

FIELD MEN—Arch Stone, Bill Strunkel, Ken Fulk, Gail Danielson

—Lunch Served by Ladies Aid of the Central Reformed Church—

Oskaloosa is a friendly city of 11,124 people who welcome all Shorthorn breeders to come the day before the Sale and visit the many business establishments and restaurants.

Mail Bids to: MERNE ANDERSON, VICTOR, IOWA, Sale Manager

SALE COMMITTEE—C. E. Pierce, Lloyd Burr, B. E. Van Sickle

SHOW, 9 A. M.

SALE, 1 P. M.

On Friday evening, Apr. 15th, at 6:30 p.m., we will meet at the "SALE INN" located in the Northwest part of Oskaloosa near the Lisk Sale Barn. We will eat supper together, followed by a business meeting. Fieldmen will be there to discuss matters of interest. Anyone interested in good cattle is welcome to attend.

Printer's Note: The picture on Page 17 is the dam of Lot 37, instead of the daughter.

Conrad Record Print, Conrad, Iowa

TERMS AND CONDITIONS

1. The auctioneer will settle any disputes as to bids.
2. Terms: Cash unless arranged before the sale between seller and buyer and clerk so notified.
3. Guarantee: All cattle are sold subject to a 60-day re-test for tuberculosis if kept isolated, unless going into a Federal Accredited Herd. Health certificates will be furnished to enable them to be shipped into other states. All cattle have been tested for Tuberculosis unless they come from an accredited herd. The cattle have been tested for Bangs within 30 days or have been calfhood vaccinated unless otherwise stated.

Bulls are guaranteed breeders if properly cared for, not allowed to run with the herd, and not used before 14 months of age. If a bull fails to breed, he may be returned to the seller, and, if after a test in the seller's herd he still fails to breed, he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over 14 months old at the time of the sale are guaranteed to be breeders. Heifers should not be served by old or heavy bulls. The buyer must give the seller notice within 90 days in case of a non-breeder. In the case of young bulls this means within 90 days after they become 14 months of age. All animals must be in as good condition as when purchased to be eligible for adjustment. Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation.
- The above guarantee and terms shall constitute a contract between the consignor and buyer of each lot.
4. The Sale Manager and Clerk act only as agents for the several consignors to the Sale in making collections for the account of each consignor and they do not assume any responsibility for the above breeding guarantee.
5. A Certificate of Registry and a signed Transfer will be furnished for each lot sold and an application for Registry will be furnished for each calf carried in dam or sold at side.
6. Neither the Sale Manager or the Association will be responsible for any injury or loss of any kind due to accident or fire. But every effort will be made to provide for the safety and comfort of our guests.
7. Each animal will be at purchaser's risk as soon as bid off, but will not be loaded until settled for.
8. Until further notice, owner of any club steer or club heifer purchased in a Central States Sale and winning breed Champion in any 4-H or FFA show, will upon notification of the Sale Manager, receive \$10.00 from the Central States Association.
9. It is my intention to manage a sale that is fair both to the buyers and the consignors. With this in mind, I respectfully ask that the following be observed. These are essentially the same rules as those in effect at the Hawkeye Downs Sales at Cedar Rapids, Iowa.
10. I ask that there be no by-bidding. Every person signing a sale card will be expected to make settlement for said purchase, and the animal in question will be transferred to buyer.
11. The consignor, if he wishes to do so, may place ONE bid only with the auctioneer, providing he does so before the auctioneer has declared the animal sold. In case of any animal not selling, sale expense will be figured on the basis of the last bid taken by the auctioneer. This sale expense must be paid, and a release obtained from the manager before the animal is removed from the barn.

Miss Clara

Red, L. F. Doak & Son

Wayhaven Model Banker—A good dark red bull. He's a good headed, low set, deep bodied bull. His full brother was the 3rd top selling bull in the 1958 fall sale, selling to Oakdale Farms, Granger, Mo. They report a good crop of blocky calves by him. We consider him a better bull. Merne Anderson has used this bull on his cows this summer. A sure breeder, he should sire some really good calves. His dam is a real breeding cow. He could be one of the good bulls in the sale.

LOT 13—MALE ARGEN'S PRIDE 2996-463 JOHN C. WAGENER

Tattoo: RE—W174

Braywood Headlight—If you want more ruggedness, here's your boy. His old grandmother, Veronica of Helfred 4th, probably one of the last living daughters of the great Braelodge Headlight, dropped another bull calf for us last fall. In the Edellyn dispersion, it was another grandson of this same Veronica of Helfred 4th that many tabbed as the top prospect in the sale. Out in the open through another rough winter she acts more like a yearling than a 17-year-old cow. If you want hardier, healthier, huskier Shorthorns, here's the bull for the job.

This calf may lack a little age for some buyers, but he has bone and size. A real burly headed good quartered bull. His dam has been one of my best producing cows. She produced the reserve champion bull at Central States in 1954 Spring Show. Boot Bros., Sully, Ia., have used him and produced some of the top entries at recent Central States Shows and Sales. Also one of the top heifers I sold through the sale to the late Emory Stewart.

Don't forget to look this bull up. He is from a good producing cow. His brothers sold for an average of \$400 at 7 mos. of age. Also his mother is in the sale.

SUNRAY'S BELLE 2d

One of the \$650.00 heifers we sold
in Marshalltown Sales

DEAR FRIENDS:

The four lane Interstate Highway 80 is to cut through the center of our farm, leaving us little choice but to sell the farm, so our plans for the future are pretty indefinite at this time. We have decided to disperse our herd of Shorthorns, and are selling 8 Lots in this sale. These are the best of the herd; everything else has been sold; nothing is being reserved.

Our herd has always been small, but considered by many one of the top small herds in Iowa. Most of our cattle have been sold through the sales at Marshalltown, Cedar Rapids and Oskaloosa. Our cattle have sold well in these sales, the top price on bulls was the \$685.00 received for the bull we sold in last spring's sale at Oskaloosa, and the top on females was the \$650.00 each received for two open heifers we sold in the Marshalltown Sales in 1952 and 1953. We just made up our mind to sell these cattle three weeks before cataloguing them, so they will be sold in just good breeding condition, and with the satisfaction of knowing they will do a good job for their new owners just as they have done for us.

Here is a chance to buy the best breeding females we have owned in our 14 years with Shorthorns. The kind of females offered only in a complete dispersion.

The result of close culling; if a female doesn't drop a good calf regularly, she doesn't stay in the herd.

The six bred females were pasture bred, so I will give approximate breeding dates in the footnotes. All show they are well along with calf. One will have a calf by sale day or soon after; the other five will calve in late spring and early summer.

All of our females are calfhood vaccinated. We have never had a T. B. or Bangs reactor on the place.

MERNE ANDERSON & SON.
